God s Solution demolishes the anti religious arguments of Richard Dawkins, Sam Harris, Daniel Dennett, Peter Singer and atheism s other polemicists who have scurried aboard this lucrative bandwagon. God s Solution begins by showing us that science, not religion, has always been war s harlot. God s Solution then proceeds to show how and why sacred scripture makes sense and how the secular ideologies raged against it have always brought out the worst in people. God s Solution then demolishes Darwinism as a scientific theory and denounces Darwin as the racist bigot that he was. God s Solution uses a wide array of examples to show that Mother Nature is much too varied to be shoehorned into a simplistic theory like evolution. God s Solution then uses the charity industry to show that religion, not atheism holds the moral high ground. In using the arguments of the secular jihadists to show how life without religion is meaningless, God s Solution will prove a valuable resource to all readers who honestly seek the scientifically grounded metaphysical truths of their own inherited faith and who wish to imbue their children and grandchildren with those same beliefs.
