THE TRAVEL ADDICT S PUZZLE: AROUND (MOST OF) HALF THE WORLD IN FORTY DAYS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Travel Addict s Puzzle (Around (most of) Half the World in Forty Days) The Travel Addict s Puzzle is a humorous book underpinned with a serious look at what drives the author s addiction to travel. His deliberations, whilst travelling alone from Eastern China to Bulgaria on public transport, produce some curious revelations, not all of which are at all flattering to the author. The answers to the puzzle develop as being far more complex and detailed than may have been thought and this is perhaps the only travel book that addresses the intriguing psychology of the travel bug. Notions such as searching for an imagined ideal from childhood, collecting images that become the building blocks of an individual s identity and creating a kaleidoscope of movement in an effort to resist change, are just some of the conclusions that he draws from reflecting upon his experiences. The dissection of the traveller s psyche is illustrated with other adventures, such as how he and his wife managed to reach China overland through South East Asia despite having totally different expectations of the journey, and subsequent travels through China, which are largely of him chasing his wife around the country on crowded hard-sleeper trains, while she travelled in style on planes and bullet trains for her work. He embarks upon a quest to find the rural heart of China, which is challenging as what appears to be a village on a map often turns out to be a city of half a million people, but towards the end of the book he does discover his Chinese Arcadia. From China he crosses the vast deserted steppe of Kazakhstan along...
