

Wreaking

By James Scudamore

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Wreaking, James Scudamore, This is a brilliantly dark and unsettling novel from the author of the Booker longlisted Heliopolis and one of the UK's most talented young writers. Perilously ill, Jasper Scriven spends his days roaming the wards of a derelict psychiatric hospital on England's southeast coast. His daughter Cleo works in London as a news editor, making palatable stories of the world's events and trying to stay one step ahead of her demons. Meanwhile, she is watched by Roland, a hulking, silent figure who inhabits a network of railway arches, emerging at night to pound the streets and burgle homes to order. These three solitary characters are connected by an accident that took place at the hospital in the aftermath of its closure - an event that defies understanding even as it continues to define them. Their attempts to negotiate the past will bring them together again and force them to revisit their actions, however uncomfortable that may be. In this brilliantly imagined and disturbing novel, James Scudamore explores the fallibility of memory, the notion of madness and the way events resound in both people and places.

Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
