Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s Time To Denounce the Saudi Barbarism and Bankrupt Wall Street Jan. 3-Justice for the victims of the Sept. 11, 2001 attacks has been obstructed for too long by George W. Bush and Barack Obama; and now, heading off a world war depends on that justice being rendered. The mass executions by the barbaric Saudi regime on Jan. 2, which are now polarizing the entire Muslim world again, must be denounced widely by all civilized people, before Saudi actions trigger a new global war. The first and immediate step must be the immediate release of the secret 28 pages from the original Congressional Joint Inquiry into 9/11, which detailed the direct role of the Saudi Monarchy in organizing those attacks on New York and Washington. President George W. Bush buried those 28 pages, and President Barack Obama has kept them buried. House bill H.Res. 14 and Senate bill S. 1471 demand their release. But the time has come to bring the contents of those 28 pages to the floor of the House and Senate, and to all Americans. Had those contents been out, there would be no Islamic State threat today, and the Saudi sponsorship of global jihadist terrorism would have been halted thirteen years ago. The actions by Bush and Obama, in protecting that dirty Saudi secret, are tantamount to acts of treason against the American people, starting with the 3,000 Americans who perished in the Sept. 11, 2001 attacks. The barbaric mass executions on Jan. 2 should be the clearest reminder that the leadership of the Kingdom is indistinguishable from the leadership of ISIS. We also stand at one minute to midnight..
