

Theatre for Living: The Art and Science of Community-based Dialogue (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THEATRE FOR LIVING: THE ART AND SCIENCE OF COMMUNITY-BASED DIALOGUE (PAPERBACK)

Trafford Publishing, Canada, 2007. Paperback. Book Condition: New. New.. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Theatre is a primal language that used to be spoken by everyone; everyone included the living community. Weaving together Systems Theory and the groundbreaking work of Fritjof Capra, Theatre of the Oppressed and the revolutionary work of Augusto Boal, and his own 25 years of practical experience in community-based popular theatre, David Diamond creates a silo-busting book that embraces the complexity of real life. Some of the questions Theatre for Living asks and attempts to answer: From a perspective of biology and sociology, how is a community a living thing? How do we design a theatre practice to consciously work with living communities to help them tell their stories? How do we accomplish this without demonizing those characters with whom we disagree? Must we constantly do battle to defeat an endless stream of oppressors, or can we imagine a world in which we stop creating them? Why is this important? What should we be on the look-out for (both positive and negative) when doing this work? What practical games and exercises can we use to awaken group consciousness? Who will be interested in Theatre for Living? Artists; community development workers; educators; activists; people working in social services, mediation and conflict resolution; health care professionals; anyone with an interest in finding new ways to approach the intersection of culture and social justice.
