Upon an island near his cave he was wont to find a toothsome variety of serpent; but on this occasion a flood had swelled the river and swept away his stepping stones. The poor fellow was in a bad plight, and while he was rummaging about for consolation in the pathetic winds he discovered that the storm had uprooted an enormous pine tree and hurled it across the torrent. Using this for a footpath, our friend, to use an Irishism, passed over upon dry ground. Such was the inception of the historic bridge. There can be no doubt that the first means used by primitive man to cross rivers and streams were stepping stones, fallen trees or beams of timber. When the stream was too wide for one plank to reach across it the stepping stones would...
