Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History and Folklore of the Cowichan Indians The history and legends of the Indians of the Pacific Northwest is especially interesting from the fact that they have not been so long or so closely in touch with the white races as the other aboriginal inhabitants of North America. This little volume deals with the Cowichan tribe of Vancouver Island, who, from being a numerous and powerful people, are now reduced to a mere handful. Civilization is destroying their native dignity and wholesome life, substituting much evil for the real good found in their former customs and character. Their legends are fast being forgotten, and as a contribution towards their preservation, I have translated them as a memento of British Columbia. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
