

When the House Was Bright Pink (Paperback)

Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

WHEN THE HOUSE WAS BRIGHT PINK (PAPERBACK)

Dog Ear Publishing, United States, 2007. Paperback. Book Condition: New. New.. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.When the House was Bright Pink Welcome to a world where yo-yos and Hula Hoops, Jell-O and Kool-Aid, Father Knows Best, American Bandstand, drive-in theaters, and homecooked meals are the norm. Welcome to a time when e-mail and cell phones don't exist; when girls can't wear pants to school; when houses mustn't stay bright pink. This collection of short coming-of-age stories in verse travels to a 1950's, 1960's America, where the world seemed safer—at least in Mountain View, California. These stories, though reflecting a bygone era, speak to us in the present. For the need to be heard, to be seen, to be recognized are as perennial as the stars in the sky, as eternal as time flying by. These verses were written for grown-ups, but can be read by children twelve years and older. Read a poem a day, or a poem a week. Enjoy the illustrations. Enjoy. Follow a homely middle child's observations and struggles while growing up in a nine-member family. See how family provides the foundation for an overall happy, memorable childhood. See how family buoys her from drowning in a larger, harsher world—a world torn between rejecting her and molding her into a proper American. The center of this world is pre-Silicon Valley in the San Francisco Bay Region. Enjoy. About the Author Jacqueline Chan Valencic didn't become obsessed with writing rhymes until she was laid off from a high tech company in 2001. The rhymes kept coming; she couldn't stop—It was too much fun. She was 53 years young. Since childhood, writing was just something she did—a natural extension of the self:...
