Brand New Book ***** Print on Demand *****.FORGING A NATION Product description The history, culture and promise of America s most important national border country. Mexico. Yes, most Americans and Canadians just don t get Mexico. The news headlines tell a tiny part of the story. But the numbers reveal even more. Out of 227 countries in the world, Mexico ranks number 11 in population ahead of: Germany (16), France (21), United Kingdom (22), South Korea (26), Canada (37) and Australia (55). And ranks a whopping number 12 of 227 in Gross Domestic Product (GDP) ahead of powerhouses like: South Korea (13), Spain (14), Canada (15) Australia (18) and Saudi Arabia (23). And in the category of known oil reserves: Mexico is 18 of 227 countries ahead of the European Union (25), India (23), Australia (29), Italy (53) and France (68). You have only to look at how the European Union and other trading blocks (countries working together across borders) to see the impact of these international trading blocks. .and see the problem pushing the United States into further decline if it does not recognize...
