

Vedic Mathematics Made Easy

By Dhaval Bathia

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Vedic Mathematics Made Easy (With VCD), written by Dhaval Bathia, is an ideal answer for all those who are poor in mathematics. This book details how the application of 16 basic formulae (Sutras) of Vedic Maths will help in solving complex arithmetic and algebra problems. Since these sutras are based on the workings of the human mind, they are much easier to grasp when compared to the rules of conventional maths. Competitive exam aspirants will also find this book particularly useful as they can learn to solve mathematical problems of varying complexity in the shortest duration of time. Multiplying 231072 and 110649 in a single step or finding the cube roots of 262144 and 704969 in a couple of seconds, are some of the techniques mentioned in Vedic Mathematics Made Easy (With VCD). He shows how tricks such as predicting someone's age and guessing the money on a person without asking him can be done mentally with the help of these Vedic Maths techniques with significant speed. A wonderful guide for students who have to write competitive exams like MBA, MCA, CET, UPSC, GRE and GMAT, Vedic Mathematics Made Easy (With VCD) provides tips...
