RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 204 pages. Dimensions: 9.7in. x 7.4in. x 0.4in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1907 Excerpt: . . . stratigraphically below the white rock. Many outcrops of coal and much baked rock indicating the presence of other beds are to be seen along the valley of Milk Creek through its entire course between the Shafer and Wilson entries, but at no place are any of these beds known to have been opened so as to show the value of the coals. No. 19. J. F. Wilson mine, Rio Blanco County. --Several prospect drifts have been opened at the upper end of Milk Creek canyon in the coal field, 2 or 3 miles below the Thornburg battle ground. Of these the only one that was in condition for sampling was an entry on the property of J. F. Wilson, of Thornburg, in the NW. SE. sec! 29, T. 3 N. , R. 02 W. Three openings have been made close together on the same coal bed,...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
