

## Before European Hegemony: The World System A.D.1250-1350

By Janet L. Abu Lughod

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Before European Hegemony: The World System A.D.1250-1350, Janet L. Abu Lughod, In this important study, Janet Abu-Lughod presents a groundbreaking reinterpretation of global economic evolution and provides a new paradigm for understanding the evolution of world systems by tracing the rise of a system that, at its peak in the opening decades of the fourteenth century, involved a vast region stretching between northwest Europe and China. Writing in a clear and lively style, Abu-Lughod explores the reasons for the eventual decay of this system and the rise of European hegemony. She concludes with a provocative analysis of our current world economy, suggesting that we may be moving towards a pluralistic world similar in important respects to that of the thirteenth century.
