Reviews

*Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)*

NORFOLK: REPORT 72: EXCAVATIONS AT REDCASTLE FURZE, THETFORD, 1988-9 (PAPERBACK)

Essex County Council, Archaeology Section, United Kingdom, 1995. Paperback. Book Condition: New. Language: English . Brand New Book. Aby Phil Andrews and others Whilst the earliest evidence for major occupation in Thetford, Norfolk, comes from the Iron Age, it was during the 10th and 11th centuries that the town developed into a major town so that by Domesday, population estimates place it amongst the six most important towns in England. In 1987 a sizeable area became available for excavation ahead of housing development, providing an opportunity to look for further evidence of occupation in the Early and Middle Saxon periods, as well as to investigate a part of the town which was still occupied during the late 11th and 12th centuries when the Late Saxon settlement was in decline. This report contains details of the excavations, finds, and zoological and botanical evidence.
