Seriously, Just Go to Sleep

By Adam Mansbach

Akashic Books. Hardcover. Book Condition: New. Ricardo Cortes (illustrator). Hardcover. 32 pages. Dimensions: 11.0in. x 8.4in. x 0.3in. Now there's a version, complete with more of the gorgeous, yet weirdly subversive illustrations. The best part it's still funny. The rhythms, the plodding rhymes, the illustrations, the clever play on the overused trope of the world at bedtime -- they all work together to take *Seriously, Just Go to Sleep* beyond parody and into the realm where good children's books belong: things that parents, and children, can honestly come to from different places and enjoy together. I can imagine reading *Seriously, Go to Sleep* nightly, and even to the point where you're begging the child to choose something else (the ultimate compliment for a picture book) and yet still finding something to enjoy. It captures a different zeitgeist of modern parenting. --New York Times From the team that touched off the irreverent humor trend *Go the Fk to Sleep*, author Adam Mansbach and illustrator Ricardo Cortes, comes a new kid-friendly version of their instant comic classic. *Seriously, Just Go to Sleep* brings children in on the joke, helping them understand their own tactics and why their parents just want them to go

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
