As far as fourteen-year-old Bun knows, Mary Hare has always been his mother, and New South Wales has always been his home. But one day he returns home to find the woman who raised him lying gravely injured at the bottom of the stairs, where she finally reveals the truth. With her last breaths, Mary informs Bun that she is not his biological mother after all. In the span of twenty-four hours, Bun narrowly escapes being shot, run over, and kidnapped, all by the powerful forces determined to keep his family secret under wraps. The pair's thrilling American adventure turns into a race against their enemies, as they do anything they can to reach their cross-country destination while staying one step ahead of the...
