This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

CONISTON (COMPLETE) (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.First I am to write a love-story of long ago, of a time some little while after General Jackson had got into the White House and had shown the world what a real democracy was. The Era of the first six Presidents had closed, and a new Era had begun. I am speaking of political Eras. Certain gentlemen, with a pious belief in democracy, but with a firmer determination to get on top, arose, -and got in top. So many of these gentlemen arose in the different states, and they were so clever, and they found so many chinks in the Constitution to crawl through and steal the people s chestnuts, that the Era may be called the Boss-Era. But I am getting far ahead of my love-story-and of my book. The reader is warned that this first love-story will, in a few chapters, come to an end: and not to a happy end-otherwise there would be no book. Lest he should throw the book away when he arrives at this page, it is only fair to tell him that there is another and a much longer love story later on, if he will only continue to read, in which, it is hoped, he may not be disappointed. The hills seem to leap up against the sky as I describe that region where Cynthia Ware was born, and the very old country names help to summon up the picture. Coniston Mountain, called by some the Blue...
