Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THIS little volume (the result of meditation and experience) is not intended as an exhaustive treatise on the much-written-upon subject of the power of thought. It is suggestive rather than explanatory, its object being to stimulate men and women to the discovery and perception of the truth that-- They themselves are makers of themselves. by virtue of the thoughts, which they choose and encourage; that mind is the master-weaver, both of the inner garment of character and the outer garment of circumstance, and that, as they may have hitherto woven in ignorance and pain they may now weave in enlightenment and happiness. JAMES ALLEN. BROAD PARK AVENUE, ILFRACOMBE, ENGLAND -----
----- To make this Classic more readable to the modern reader, the Old English has been changed to Modern English. Hopefully, you'll have a richer experience reading these truths. MEL WALLER In all human affairs there are efforts, and there are results, and the strength of the effort is the measure of the result. Chance is not. Gifts, powers, material, intellectual, and spiritual possessions are the fruits of effort; they are thoughts completed, objects accomplished, visions realized. The Vision that you glorify in your mind, the Ideal that you enthrone in your heart--this you will build your life by, this you will become. Excerpted from, As a Man Thinks by James Allen and Mel Waller This item ships from La Vergne, TN. Paperback.
