Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE BOOK OF FATE

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, The Book of Fate, Parinoush Saniee, Sara Khalili, A teenager in pre-revolutionary Tehran, Massoumeh is an ordinary girl, passionate about learning. On her way to school she meets a local man and falls in love - but when her family discover his letters they accuse her of bringing them into dishonour. She is badly beaten by her brother, and her parents hastily arrange a marriage to a man she's never met. Facing a life without love, and the prospect of no education, Massoumeh is distraught - but a female neighbour urges her to comply: 'We each have a destiny, and you can't fight yours.' The years that follow Massoumeh's wedding prove transformative for Iran. Hamid, Massoumeh's husband, is a political dissident and a threat to the Shah's oppressive regime and when the secret service arrive to arrest him, it is the start of a terrifying period for Massoumeh. Her fate, so long dictated by family loyalty and tradition, is now tied to the changing fortunes of her country. Spanning five turbulent decades of Iranian history, from before the 1979 revolution, through the Islamic Republic and up to the present, The Book of Fate is a powerful story of friendship and passion, fear and hope - and a rare insider's view of Iranian society.
